where there's fire, there's smokie

I can't belive that they call me a MILF. It was only a couple years ago that I was partying until 4 am almost every weekend. Now, I'm running around town with a car seat in the back. However, I do take it as a compliment and take every occasion to tease the guys I know are saying it. Maybe one day, one of them will get a taste of me.

REINVENTED

They say that 40 is the new 30. I really don't care. Do you? Look at me. A year ago I was selling cheese in Wisconsin with a hairy bush and a minivan. Now, I'm an all new person ready to take on the world. Say that you're ready for me and more like me?

mr. marcus is here now and we don't want to keep him waiting!

We're both city girls that left Chicago for the promises Los Angeles whispered in our ears. We found each other out there and became quick friends. We were friends before we became lovers, and we were lovers well before we allowed anyone to photograph us in our most intimate moments.

your magazine's a turn on

free videos, yay!

I don't have a great story but rather a small incident for you. I'm writing this letter because my boyfriend and I are now avid readers of your fabulous magazine. As a woman, I was hesitant about looking at men's magazines until one day when he inadvertently left an issue of ***18+*** in the bathroom. I have to admit that I am in love with the women in your photos. They seem to have a confidence about them. Not like some of the other mags. They get me hot and by the time I finished looking them I had to masturbate right away.

So I sat on the toilet with no underwear on and slid my hand down there. I had your magazine on my lap and found myself coming after only a few minutes. My boyfriend doesn't even get me off that fast. I'm thinking I may surprise him one night and bring the issue into our bed. I have a feeling that once we get over the embarrassment of looking at the pictures together, they'll be a huge turn on!

If we get a little more adventurous, I'll go get the laptop and watch the free videos, too. So keep up the great work, and please don't change a thing.

– Simone, St. Louis

water sporting

I thought it quite appropriate that I write to you because I am a twenty year old horn dog and saw your magazine at the newsstand where I get my morning paper here near Lake Powell. I saw it, bought it, and was quite enthralled with the lovely young ladies in it. It made me think about a scene this past summer that involved my neighbor Albert, and me while we were out boating on the water.

There are several of us that have houseboats moored at the marina and on weekends we go out, some with their wives and some with girlfriends or boyfriends. We motor out into the lake with them all together and party. I usually have a lady friend as company and everyone's pretty cool about things. Earlier that week, Albert and I were talking out by my pool and he was lamenting about not being able to get laid since being home from college. He's not the most handsome guy, but has a nice smile and always has been helpful to me through the years we lived next to each other. So I decided to take it upon myself to give him an afternoon that he would never forget.

I have a nice little forty-footer of a houseboat so I invited him to come down for an afternoon cruise and he said he would. Unknown to him, I had also invited two ladies to come along and party. Maybe he would get lucky. They were around

His erection sprang up and out. He was about eight inches long and quite thick. “Wow! Look at what I found. Jonelle, come look at this.”

my age and quite liberal minded.

Jonelle and Karla arrived promptly at two and I had the champagne waiting for them. They saw a fourth glass and asked who was joining us and before I could say his name, Albert jumped onto the deck off the gangplank. I introduced them and he seemed quite flustered and looked at me as if to say WTF. I explained that they worked with me and I had invited them to come on a while ago, but this was the only day they could find time to come boating.

We motored away from the dock and I showed Albert around the houseboat after the ladies went below to get more drinks. Jonelle came up after a few minutes and said that she would like to get some sun. Karla said she wanted some too. I told them to make themselves comfortable – anywhere they liked. The girls took off their summer dresses and had bikinis on underneath. They spread out on the cushions and started to apply suntan lotion on each other. Albert was with me as I showed him how to steer us out to open water. Apparently his mind was not on my instruction. We both watched as Jonelle reached back and unfastened her bikini top and removed it. Then Karla did the same.

Karla rolled onto her back and her bare breasts were magnificent in the sun. They were tan on the sides but paler where her top had been. Her nipples stood out darker against her skin tone. Then Jonelle rolled over and all four boobs pointed sky wards. Albert throttled back the engines and made the boat lurch. The girls sat up quickly, their boobs bouncing with their movement. He apologized with embarrassment when they said “What’s wrong?”

“Oh nothing.” Albert said, “You two are too much of a distraction.” Putting his hands in his pockets trying to hide his erection. Karla looked at his crotch and said, “Well here’s the problem.” She started to untie his board shorts. She yanked them down as hard as she could. His erection sprang up and out. He was about eight inches long and quite thick. “Wow! Look at what I found. Jonelle, come look at this.” Jonelle bent over to get a closer look. “Wow, J., that’s an awfully big cock – but how does it taste?”

The two ladies are now kneeling in front of his huge dick and teasing him. “I don’t know yet but it sure looks good. Wow! I can barely get the head in my mouth. Here, you have a bigger mouth, you try it.” says Jonelle.

“Why don’t you girls take Albert down below?” I said. “There was no one steering the boat and I should tend to it.” The ladies agreed and grabbed his cock to lead him down. I peeked down below to find them both removing their bikini bottoms. I stopped the engines and went to the stairway so I could see better and heard Karla say, “Get on the bed?” He flopped on the bed with the girls right behind him. Karla took his cock and looked at him and started sucking on it.

Jonelle was up at the front end pulling his shirt off. All of a sudden I heard him say, “Karla, let me get inside you before I cum.” He slid back and down between Karla’s legs. She grasped him and slid the head of his cock up and down the lips of her wet pussy. Karla grabbed his hips and pulled him forward, “Deeper,” I heard her say. “What a cock. Jonelle I can’t wait for you to try it.” Albert began to thrust into her. Karla was being rocked by orgasm after orgasm. Her hand slipped down and grabbed his balls. He stiffened, jerked and flooded Karla with shot after shot of cum. He fell over on his side breathing hard. “Hey you two, I want some too!” cried Jonelle jumping in between them.

He slipped down between Jonelle’s legs and brushed his tongue over her outer lips. He found her clit and sucked it into his mouth. Then he pressed his face hard into her pussy and rammed his tongue as far in as it would go.

Jonelle let out a howl that shook the boat. I watched as Albert crawled up over her and slipped his big cock deep into her. He pumped her hard and I heard him growl that he was about to come again. Jonelle locked her legs around him and screamed as loud as she could. Then there was silence and a few minutes later I saw the two naked ladies come up on deck and go back their sunbathing. I did not see Albert again until we docked.

it’s show time

My neighbor’s really like to put on a show and I get to watch. Through an upstairs window at my house I can see into my neighbor’s enclosed patio attached to the back of their house. They like to hang out there throughout the day. The dude fancies himself a lady killer and always has female company and they spend a lot of time fucking back there.

One day I’m watching and he has two stark naked femmes over and they’re going at it. I grab my binoculars and settle back to watch the action. One girl, I’ll call her Elle, grabs a huge pink dildo and a smaller silver dildo and positions herself facing the other so she could watch the dude fuck… I’ll call her Leslie. Dude was inside Leslie with her legs over the arms of a chair, fucking her pussy. I was getting bored and about to leave when Elle goes over to them and my curiosity caused me to stop and watch them.

Elle gets behind the two of them and squats. She shoves a dildo up each one’s ass. The black one for Leslie and the silver for the dude. She leaned over them and begins to fuck them with the dildos. Dude increases the speed of his thrusts into Elle as Leslie increases the dildo thrusts. Elle begins to buck and scream and the dude convulses with pleasure.

The three together make a scene of thrashing arms, legs and bodies as Leslie’s actions take the two fuckers over the top. A few minutes later Leslie takes the dildos out of their asses and throws them on the ground. Damn, I have to retreat to the bathroom again, but I’d like to officially thank the dude. Looking forward to the next time, dude.

– The dude’s neighbor

we haven't done this on camera before

I haven't had many but my most exciting sexual experience was last year in the middle of the winter in the middle of a van. I was with this guy and we got snowed in for the night. We used the car's heater as long as we could, but then had to share our body heat. We spooned in the middle of his van and I reached behind for his cock. I warmed it up and pulled my pants down and guided it into my warm kitty. That warmed us all night long.

there's no sex like fast food sex

> *Gina is one amazingly awesome girl. She's beautiful, fun, sexy and likes to have fun sex. Throw in a pizza or french fries and I'm in Gina heaven.*

I got Gina on the phone and asked to call a pizza place while I was driving home. When I got home, I picked a scary movie for us to watch. The pizza delivery guy showed up a few minutes later and I paid him with a pretty generous tip. Gina came downstairs when she heard the doorbell ring and headed to the kitchen to put some slices on plates. I put a DVD in so we could watch Freddie or Jason scare the crap out of people.

She came back out with one plate and a couple beers. Nothing goes better with pizza than Gina and beer. We sat on the couch in front of the big screen we had just bought. It had surround sound and the couches were new so they didn't sag. We had fun talking with each other and laughing over some stupid stuff going on in the movie. Thinking back, I don't know why this stuff was so scary back then.

Gina cuddled closer to me as the movie was ending. Somehow her shirt opened up and slipped down below her shoulders. I moved her until she was half on my thigh. We had gotten a blanket and Gina had pulled her knees up to stay warm. (The middle of January in Cleveland is so cold that it makes times like this totally worth it.) This provided the opportunity I needed to slowly massage her breasts and pinch her nipples. She moaned lightly, but kept jumping every time someone got slashed. I kept one hand on her breasts and the other moved to her crotch.

Then she opened her legs a little to allow me easier access. I just smiled back and turned my attention more fully to her body. She couldn't cum, so I had to keep a balance and stop when she seemed to be getting close. This did not keep her pussy from getting wet or overflowing with liquids.

The movie ended and I grabbed Gina and carried her up the stairs to the bedroom room. Gina kissed me as I put her on the bed and started to pull off my sweatpants. I let her do it but she had a little trouble because I was pitching a pretty big tent. She got them off and then struggled with my boxers. It was kind of hard for her, I kept moving her hair and fondling her breasts. She got them off and I stepped out of them and kicked them away. Gina went to work on my cock and I tried to move a little but she just pushed me back down. Then deciding that she was ready, Gina moved into a sixty-nine position with her on top and I got to eat her out again.

The more I licked, the more vibrations she sent down my cock. I stuck two fingers in and gave her a quick orgasm. She kept sucking but her scream was muffled by my cock and I felt my balls beginning to tighten as my cock got bigger. Gina stopped and got off of me. I was disap-

pointed until she turned and sat on my cock. Immediately I was halfway into her when she slowed down and kept going slower the farther in it got. I was finally in balls deep and then she started to bounce up and down on me.

I moved my hips up to meet her and was pounding away until my cock started to swell even more. Gina must have felt it because she was bouncing faster until she fully impaled herself and then I started to cum in that perfect pussy of hers. Despite all the times I came during the weekend, I still shot off a huge load and some began to leak out onto the sheets and me. When I finished and Gina's pussy stopped clenching, she got off and licked the mixture of our cum off of me. It was so stimulating I didn't even go flaccid and just stayed hard.

Unfortunately, Gina told me that she needed to take a break, so I sucked on her boobs and groped her ass for a while until I fell asleep nuzzling her breasts and still had my hand on her ass. I woke slightly when she pulled the covers over us and just went right back to sleep. That must have been around midnight but I was spent and groggy.

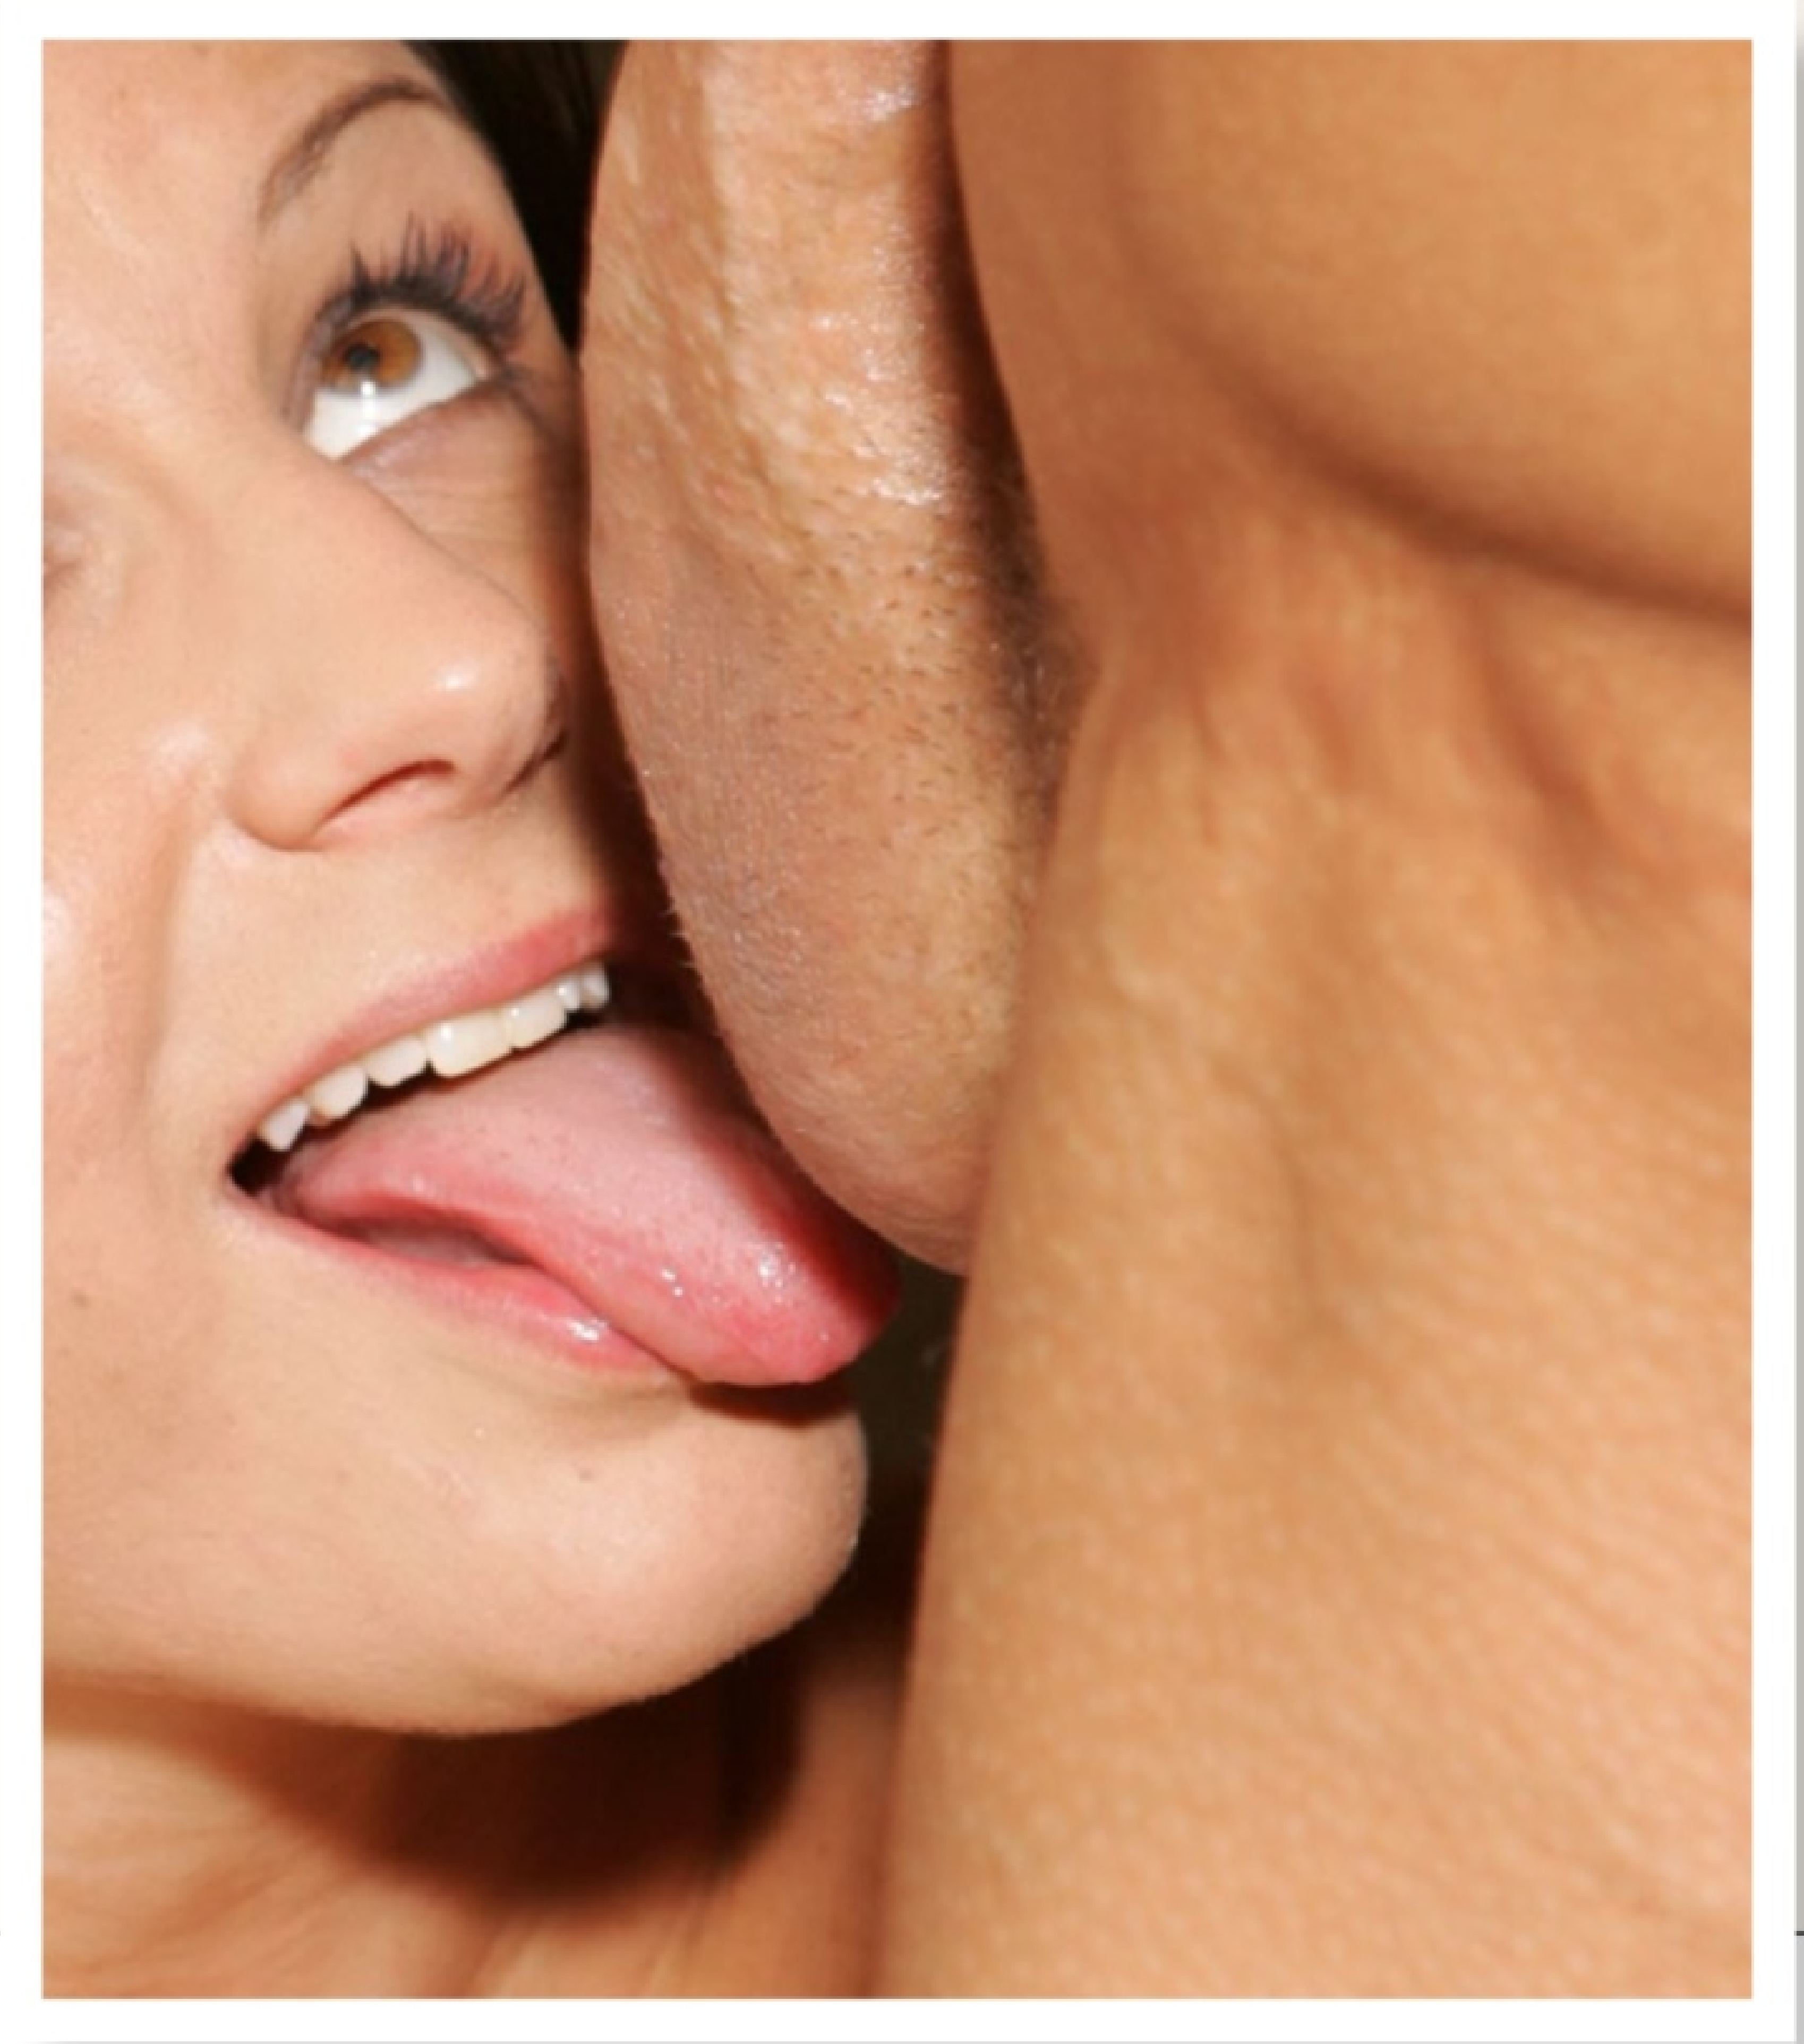
In the morning, I woke up before Gina with my morning woody and my head was still planted between her breasts. Nice and soft, I just moved around on them and kept licking until she woke up. I looked and grinned at her. She smiled back, so I went to work on her. Gina began to moan and reached down a hand to rub her pussy. Gina hadn't stopped the entire time and was close to orgasm. I kissed her and used both hands to massage her boobs. She cried out and shuddered for a little and then looked at me like she didn't want me to leave.

I kissed her and then ran to the shower while she picked out what clothes I would wear to work. I was hard during the entire shower, but knew that if I wanted to drop Gina off at school in time and make it to the appointment, then it must be a quick shower and rushed breakfast once again.

I met Gina at her new job. It was where I worked. Our boss was a family friend and was probably a little more lenient with us than with the others. He gave her a uniform and then walked her through what her position did. I had to help Gina carry boxes and stock the shelves so she knew where things were and how they were arranged. She helped organize them and I helped her. We would be seeing a lot of each other there, but we knew we had to be extra careful.

Gina and I zipped through our work and it was very systematically done, and every couple of hours we had a fifteen minute break to do what we wanted. The next break I went into the back room and took a power nap on the stock boxes and fortunately woke up just before the next shift started. We all worked hard for the next couple hours and during the second break, Gina and I found another, less used stockroom and she went down on me right there in the store.

I must admit that it was very weird. This owner was super nice and did not question what we did in the back room when he saw us both come out. That was okay because I had not that much intention of fucking Gina in the back room, but it did occur to me a few times. There were other times when I had a lump in my pants when she brushed against me, so I gave her a quick pinch and she wiggled her ass to tease me even more.



When the day was over, Gina got to the car first and jumped around trying to keep warm. I opened the car door and found the leather seats freezing cold, Gina had a short skirt on so her legs had to endure until the car got heated. I just kept it running for a little in the parking lot. We passed the time with some small talk, but that wasn't as filling as what I wanted. I really wanted Gina to fuck me in this car and just to get the tension that had been built up at work. She looked at me and read my mind. She did a slow strip and was soon naked. The car was still a little cold so her nipples grew hard and I just had to touch them. She moaned and opened my pants. I stood up a little and those came off with now only my boxers on and they were hurting my cock by keeping it in its confines.

Gina pulled them off and immediately gave me one of the best blow jobs ever. It was awesome. I loved how her tongue never left my cock and she started to deep throat me. I was already really horny, so I didn't last that long and exploded into her mouth. She started to gag and some cum started leaking from the corner of her mouth, but she kept swallowing and when I finished she licked my cock up and down to finish me off.

Then we moved to the backseat and that just made it a little better. We positioned ourselves with me sitting and she sat on top of me facing front. That way I could play with her boobs and nipples while we did it. She could also keep an eye out for anyone coming towards the car. I started to pump her and worked up to a good pace that kept me from coming too soon but still gave her several small orgasms. When ever she had one, I pulled out to the tip of the head and rubbed her clit with my thumb and then added a finger or two. It was awesome when I finally came deep into her as I shoved it in as far as it would go. That's when she started to have her fourth or fifth orgasm in the car. I was in balls deep and was trapped there by the vice grip I had come to expect from her pussy.

I started to come near the end of her orgasm, and she just flowed right into another one. This last one milked my cock until it finally deflated and we slipped back to the front seats. Gina was panting hard and reached down to her pussy and swirled her finger in the mix of juices. She sexily sucked them and then took my hand and did the same thing. I began to raise another woody but we noticed that the manager was locking up so we needed to get out of here before he saw my car and found us both naked inside.

On the way home, we stopped at a fast food drive-thru and I talked Gina into giving our order in her sexy voice where I knew a bunch of guys work. Then she put her head in my lap and covered herself with a blanket I keep in the back seat. I pulled the blanket up to her neck so that her head was exposed. I drove up to the window with my shirt off and there were four guys there, and all of them started to crack up and pound the guy on the back. I took the meal and then drove as Gina sat up and got naked again in the front seat. As I drove, we began to munch on the fries and I was starving after not eating that much all day.

When we got to our house, Gina decided to climb on my back and she made sure to rub her chest all over my back. Her feet were rubbing my crotch and before I even got to the door, my bulge was really evident. Our food forgotten, Gina stripped my clothes off as fast as she could and I was naked, too. It was quite wonderful, just playing around before sex. Her breasts received a lot of attention as did her ass.

My cock was built up to the point of orgasm, but having cum twice in the day I was able to contain myself and kept from cumming until she started to rub her boobs on my cock. She kept rubbing my cock and licked the head until I finally came in one huge orgasm onto her face. Gina licked herself up and then went to finish her fries.

get those cameras rolling before I cool off!

I've always been quite sexual. When I started by feeling comfortable naked, I'd walk around my apartment naked, I'd sleep naked, I'd swim naked. Wherever I could I'd be naked, I would be. The more I got naked the more comfortable I felt. So when it came to being naked on camera, I was okay with it. But screwing someone in front of others, that took time!
